

Tariff of charges for corporate customers

Effective from April 1st 2022

All tariffs in Danish kroner (DKK)

This tariff lists the most common charges for corporate customers in Nordea Denmark, filial af Nordea Bank Abp, Finland. Other charges appear from separate customer tariffs or may be obtained on request.

We may change our charges or introduce new charges without notice. We provide information on such change through electronic channels to all customers and/or by advertisements in the press.
